Subject: RE: revised Possum Pond volumes
Attachments: Copy of PPt Pond Water Volumes.xlsx

Jason- I made a short edit to the first bullet.

Subject: revised Possum Pond volumes

Cathy – We agreed this morning to provide Senator McPike with the volume estimates for Possum Point Ponds. I simplified this to show the totals versus the original version that broke it out by year and included timelines. His real intent is to do the math himself to see how long it will take to send all water to the POTW. Wanted you to see before I forwarded to Aubrey and Bill.
